Mr. Samuel A. Vitaro
Arbitrator

VIA FAX**Re: INS FLSA**

Dear Arbitrator Vitaro:

Pursuant to the letter designed by the Arbitrator which was attached to payment calculations for "old claimants" by NFC, I have received copies of numerous documents that were also (if the letter instructions were followed) directed to DHS. I cannot be sure, however, that the Agency has received the documents that the Union has received. I have reviewed the documents the Union has received (as of October 26, 2005) and have categorized them as to the issue(s) they raise.

Please find listed below, a table containing the current address, the social security number, and issue in every document AFGE has received which takes issue with payment or non-payment by the NFC (as of October 26, 2005). I have provided a redacted version of this document to the Arbitrator to insure the privacy interests of the individuals involved.
