## Dues Rebate Request

RETURN TO:

\_\_\_\_\_, Treasurer  
AFGE Local 3509

In an effort to make our dues structure more fair, and to give some relief to lower paid members who pay a higher percentage of their salary in union dues than the higher paid members, AFGE Local 3509 began paying rebates to lower-graded members in 1993. To qualify for an annual rebate of \$50.00, you must have been a member of Local 3509 for at least one year and have a current annual salary no higher than a Grade 5 Step 10. (This includes Grades 6 Steps 1-5 and Grade 7 Steps 1-2.) You are eligible to receive a rebate only if you continue your membership past your anniversary date, which is the month and day you joined the union. If you don't know your anniversary date, contact the Local Treasurer for this information.

To receive your rebate, complete this form and send it after your anniversary date to the Local Treasurer at the address shown above. You must include a copy of a current pay statement. You may black out all information on the pay statement except name, address, SSN, pay period ending date, Grade and Step. **The deadline for requesting the rebate is 12 months after your anniversary date.**

---

I hereby apply for my annual dues rebate of \$50.00. My current pay statement is attached.
