SETTLEMENT AGREEMENT

WHEREAS, the Federal Correctional Complex at Forrest City, Arkansas (Management) and AFGE Local 0922 (Union), jointly desire to amicably settle and resolve the grievance related to the activation of the Special Housing Unit (Low facility) as an Admission and Orientation Unit without appropriate notification to the Local. Notification would have allowed the Local to present concerns with operational procedures relating to safety and security.

The Union, Local 0922, hereby request to withdraw the pending grievance filed on this matter when these conditions are met. In this agreement, neither party is admitting fault for actions taken. The agency will ensure proper notification is provided to the Local relating to issues involving safety and security procedures prior to routine missions being modified. This notification will give the Local the opportunity to discuss impact and implementation issues.

Both parties agree that this matter is informally resolved. The terms of this agreement have been completely read, are fully understood, have been freely reached, and are voluntarily accepted. This agreement is effective on the date signed hereon.
