

Tell Your Representative to Reject a Bad Budget

CALL (844) 669-5146 – DC office

CALL (888) 775-3148 – DISTRICT office

Tell Your Lawmaker: The Administration's proposed budget is a major fail. It would result in huge layoffs of government workers - 1/3 of whom are veterans (nearly 700,000 people). If enacted, the budget would cut many programs and services my community relies on. We need a budget that works for all Americans - not just millionaires and billionaires.

What would President Trump's Budget mean for you?

- An increase to current Federal workers' out-of-pocket payments toward their pensions to 6 percent over six years.
- Reduction in pension benefits for future federal retirees by averaging their highest five years of salary, instead of their high three.
- Elimination annual cost-of-living adjustments for current and future retirees
- Elimination supplemental payments to federal employees who retire before age 62, like law enforcement & firefighters

**Union family, the time is now to stand together in solidarity.
Call (844) 669 - 5146 & (844) 775 - 3148 and tell your representative:
The proposed 2018 budget is a major fail.**
