AMERICAN FEDERATION OF GOVERNMENT EMPLOYEES, AFL-CIO

## ***AFGE is Committed to Your Success***

AFGE is the largest federal employee union and the largest union representing civilian workers in the Department of Defense.

Our members work hard to protect and serve the country. Many are veterans who are continuing to give back to their community as federal public servants.

## ***Your Voice Matters***

As a card-carrying member of AFGE, you have a real voice in the decisions that affect your job.

AFGE fights for our members each and every day – whether it's on the shop floor, at the Pentagon, in the halls of Congress, or in the public arena.

## ***AFGE Members Effect Change***

You care about the quality of your work. Inadequate staffing, equipment, and training can make it harder for you to do your job well. AFGE works with national and local DoD officials to negotiate changes that improve your worksite and help you better serve the American public.

## ***AFGE Members Help Defend Our Country***

AFGE is proud to represent patriotic, hardworking employees at DoD depots, arsenals, and ammunition plants across the country. Our members are the backbone of our nation's organic industrial base and support our service members at home and abroad.

Civilian employees at DoD depots and arsenals produce, repair, and maintain ground combat vehicles, aircrafts and engines, weapons systems, and other military equipment.
