

HERE COME THE CUTS

You deserve better! Tell Congress – HANDS OFF MY RETIREMENT!

Here's what's at stake:

Reduced annuities by \$7 billion over 10 years. This budget lowers the monthly annuity employees receive when they retire by averaging the highest 5 years of salary instead of the highest 3.

Retiree income cut by \$56 billion over 10 years. This budget ends cost-of-living adjustments for current and future retirees in the Federal Employees Retirement System (FERS) and reduces the COLA for Civil Service Retirement System (CSRS) retirees by 0.5%.

Law enforcement retirement cut by \$18.6 billion over 10 years. This budget eliminates the FERS supplement for our brave law enforcement officers and other employees who retire before social security kicks in at age 62.

Difficulty saving for retirement. This budget reduces the interest rate of the Thrift Savings Plan's safest and most popular investment choice, the G-Fund, which would make it harder for federal employees to save enough money for retirement.

Call both your senators and your representative NOW! Tell them to reject this budget proposal and any Congressional budget resolutions that cut your pay and benefits or arbitrarily reorganize the government!
