

Let's Get Tweeting!

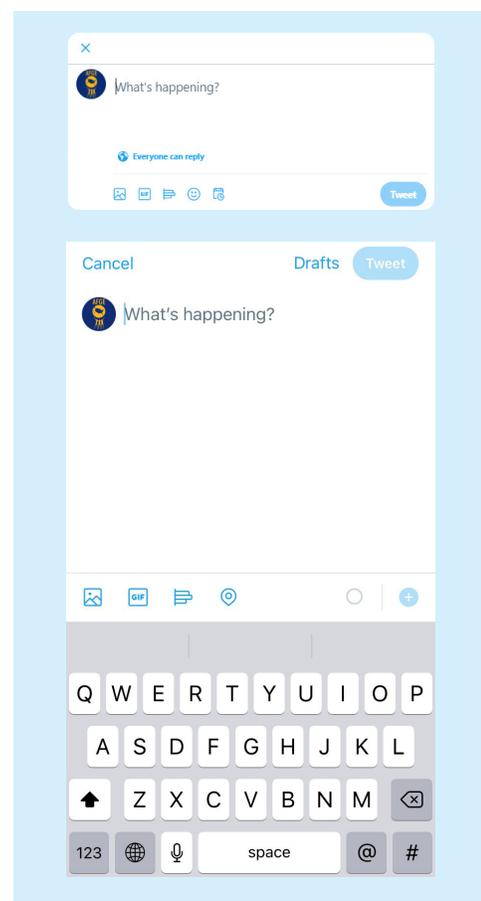

On Twitter you have **280 characters** (this includes spaces!) to share your union activism with the world. In addition to text, **you can also share photos, videos, gifs, polls and emojis.**

Tweeting is easy with a few simple steps!

- 1 Log in to your Twitter account at www.twitter.com using your username and password.
- 2 On the home page you'll see your Twitter feed and at the top of the page it will have a blank space for you to start your tweet. Look for the empty space that says 'What's happening?'
- 3 Along the left menu bar there is a blue 'Tweet' button that you can also click to start your tweet.

Tweeting on your mobile device is just as easy!

- 1 Make sure the Twitter app is downloaded to your mobile device.
- 2 Log in to your account using your username and password.
- 3 Once you're logged in, you'll see a blue circle with a feather and plus sign at the bottom right of your screen. Tap that button and you're ready to tweet!

Happy Tweeting!

**Remember: Do NOT set up or access any social media account using your government email address.*
