

STAND UP. FIGHT BACK.

**VOTE TO PROTECT
YOUR JOB,
YOUR PAY,
YOUR DIGNITY AT WORK**

Protecting Our Pensions

A Biden-Harris Administration will fight to protect your pension. They are committed to repeal the cost-shifting in FERS that cost federal employees money, and oppose efforts to reduce benefits under FERS and FEHBP.

Fighting for Better Pay and Benefits

Joe Biden and Kamala Harris strongly support our efforts for consistent and regular pay increases for federal employees. Under their Administration, federal salaries will remain competitive and federal employees will be able to support their families.

Expanding Your Collective Bargaining Rights

On the first day of a Biden-Harris Administration, they will restore federal employees' rights to organize and bargain collectively. They will establish a federal right to union organizing and collective bargaining for all public-sector employees, and will make it easier for those employees who serve our communities to both join a union and negotiate for better working conditions.
