# 3,000 Jobs Saved By AFGE

**When the United States Army proposed a project to take away 2,400 civilian jobs in Indianapolis, IN and 600 in Rome, NY– AFGE Council 171, Local 201, and our national office sprang into action.**

**Here's how we won:**

- AFGE National President **J. David Cox** sent a letter demanding answers;
- We contacted Senators **Gillibrand (D-NY)** and **Schumer (D-NY)** and formed a coalition that met regularly at the Pentagon;
- For 3 years we fact-checked their proposal and successfully proved it would be more expensive and less efficient.

**We achieve great things against great odds if we all join together. But it takes all of us.**
