WITH PPE VICTORY, AFGE HELPS MAKE VA SAFER

For over a year, AFGE has been leading the push for sufficient Personal Protective Equipment (PPE) for VA workers through:

- Lawsuits
- Grievances
- OSHA complaints
- Whistleblower complaints
- Protests
- Press conferences
- Lobbying

We have won more PPE along the way, and on Jan. 20, 2021, we won an even bigger victory: Biden’s executive order mandating mask wearing on federal property and requiring agencies to provide PPE to employees.

This is the AFGE difference.

But we can achieve even more for VA workers! This past year has shown us that we need an informed and empowered workforce at the VA to make sure all VA facilities are doing what it takes to keep us and the veterans we serve safe.
