Your union, AFGE, has been advocating for funding by Congress to pay TSA officers at the General Schedule (GS) levels, and it is finally paying off. That means an average 30% pay increase for TSOs, which would begin January 1st 2023.

For this to happen, Congress needs to hear from TSOs everywhere!

Scan the QR code to link to the action alert to tell Congress you want this pay raise. Members of Congress need to hear from their constituents (TSOs) before considering allocating funds to TSA in support of a pay raise, and it will take every TSO taking action to show enough support for a 30% pay raise. (It takes less than 5 minutes!)
