Guidelines for Recording Your AFGE Testimonial

Do not record at work or in uniform. Thank you for sharing your story! Your story shows the real impact of our Union. To help you record an effective video, please follow these simple guidelines:

1 Introduce Yourself (No Job Titles)

- State your first name only (last name is optional for privacy).
- Mention your AFGE local number and your work location (**for example: "I'm a proud member of AFGE Local 1234 which represent "Airport Name"**).

2 Share Your Experience

- In a few sentences, explain why you joined AFGE.
- How has being union has made a difference for you, your workplace, your coworkers?
- Mention specifics: union victories, workplace improvements, community and support

3 Keep It Positive and Authentic

- Speak from the heart and use your own words.
- Avoid discussing political parties or candidates.
- Do not go negative.

4 Technical Tips

- Record your video in a quiet, well-lit place.
- Hold your phone horizontally (landscape mode).
- Make sure your face is visible, and the background is appropriate.
- Keep the video to around 30–60 seconds.
- If you're nervous, try walking while you are recording.

5 Closing

- End with a simple statement like: **"I encourage everyone to join AFGE and make your voice heard." or "Together, we're stronger."**

6 How to Submit

- Email your video to ***join.afge.org***.

Thank you for helping us build a stronger union!
