

Get Started With AFGE Learn

Our union's official online learning platform, offering members easy access to interactive self-paced courses, live virtual training, and other educational resources.

This system is designed to be a one-stop hub for your educational journey: featuring courses on subjects such as organizing, representation, health & safety, and union leadership; along with opportunities to earn badges, certifications, and access to downloadable resources.

✓ Visit **AFGE Learn NOW!**

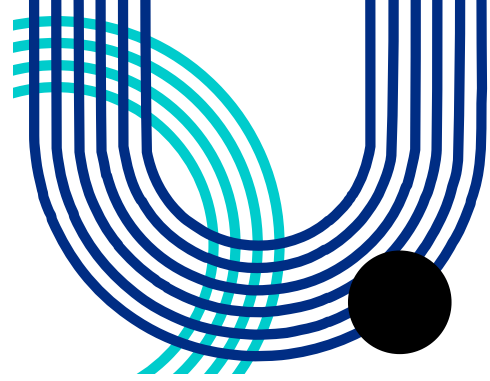

AFGE members, leaders and activists are encouraged to create an account using their AFGE.org credentials at **afgelearn.org** to engage in all the education offerings, track learning progress and strengthen their local union work.
