

Protect Those Who Keep America Safe

As TSA officers, we protect passengers, pilots, flight attendants, and our country. We took an oath to protect America and worked for 35 days during the shutdown with no pay, but we are treated like second-class federal employees. We deserve fair workplace rights. We deserve the same Title 5 rights as other federal employees, to be placed on the general schedule pay system, and to receive equal protection under federal labor laws.

Sign our petition today to show your support for TSA officers and the work we do to keep America safe.
