

2020 VOTING RECORD

Introduction

The American Federation of Government Employees, AFL-CIO (AFGE) is the nation's largest federal employee union, representing more than 700,000 federal and District of Columbia (D.C.) government workers nationwide and overseas. Workers in virtually every agency in the executive branch depend upon AFGE for legislative advocacy, legal representation, technical expertise, and informational services.

Federal and D.C. government workers are vital threads of the fabric of American life. Over the past year, AFGE members have worked on the front lines of the COVID-19 pandemic at great risk to themselves and their families. Government workers inspect the food we eat and the places we work. They protect citizens from the illicit flow of drugs, maintain the safety of our nation's borders, protect our airports, and keep the national defense systems prepared for any danger. They care for our nation's veterans and serve as a vital link to Social Security recipients.

AFGE takes seriously its responsibility to protect the rights of the working Americans who make up the federal and D.C. workforces. The union believes that one of the best ways to improve government's effectiveness and efficiency is to treat federal and D.C. workers as valuable resources.

AFGE relies on a comprehensive legislative and political action program to advocate for issues that affect the federal and D.C. workforces. When Congress tackles government employee benefits issues or debates funding of vital government programs, AFGE is on the scene representing its members.

The 2020 Voting Record shows where House and Senate lawmakers stood on the issues that were most important to federal and D.C. workers, as well as other working Americans, during the second session of the 116th Congress. While the 2020 Voting Record is an important tool in monitoring the actions of Congress, it is very important to recognize that it is not the sole reflection of a lawmaker's record. This is particularly true in the U.S. Senate, where legislation is often passed by "unanimous consent" or "voice vote," leaving no recorded vote to score. The 2020 Voting Record is neither an endorsement nor a condemnation of any member of Congress. For more information, please contact Elliot Friedman at Elliot.Friedman@afge.org or Fiona Kohrman Fiona.Kohrman@afge.org in the AFGE Legislative Department.

United States House of Representatives

1. Modernizing the National Labor Relations Act (NLRA)

The “Protecting the Right to Organize (PRO) Act” (H.R. 2474) – Roll Call Vote #50

AFGE proudly supported H.R. 2474, the “Protecting the Right to Organize (PRO) Act.” In solidarity with its AFL-CIO sisters and brothers, AFGE endorsed the “PRO Act” because it is a comprehensive bill that, if enacted, would update the National Labor Relations Act (NLRA) and protect working people against attacks to their wages, retirement benefits and workplace rights.

The PRO Act would modernize the NLRA and ensure the protections for workers are strengthened and enforced. Under current law, employers are not punished for illegally firing or retaliating against workers who are trying to form a union. As a result, employers routinely fire pro-union workers because they know it will undermine the organizing campaign and they will face no real consequences. To address this, the PRO Act creates civil penalties for violations of the NLRA, including remedies such as providing back pay and damages for workers who are fired. The bill also penalizes employers for illegally firing or retaliating against workers.

For new union campaigns, the PRO Act establishes a process for reaching a first collective bargaining agreement when workers organize, utilizing mediation and then, if necessary, binding arbitration, to enable the parties to reach a first agreement. The PRO Act also overrides so-called “right-to-work” laws by establishing that employers and unions in all 50 states may agree upon a “fair share” clause requiring all workers who are covered by—and benefit from—the collective bargaining agreement to contribute a fair share fee towards the cost of bargaining and administering the agreement.

Finally, the “PRO Act” adds a right for workers to go to court to seek relief, bringing labor law in line with other workplace laws that already contain this right. The bill prohibits employers from forcing workers to waive their right to class or collective litigation.

AFGE supports legislation that will ensure workers are treated with dignity, fairness, and respect in the workplace and have the right to join and form a union without fear of retaliation. Congress should enshrine these protections into law immediately.

The House approved H.R. 2474 on February 6, 2020 by a vote of 224-194 (D: 219-7; R: 5-186; I: 0-1). A “Yes” vote in support of the “PRO Act” is counted as a “Right” vote.

2. COVID-19 Relief

The “Coronavirus Preparedness and Response Supplemental Appropriations Act of 2020” (H.R. 6074) – Roll Call Vote #86

The “Families First Coronavirus Response Act” (H.R. 6201) – Roll Call Vote #102

The “Health and Economic Recovery Omnibus Solutions (HEROES) Act” (H.R. 6800) – Roll Call Vote #109

The “Consolidated Appropriations Act, 2021” (H.R. 133) – Roll Call Vote #250

Overview:

Since early March 2020, Congress has passed multiple pieces of legislation to address the COVID-19 pandemic. AFGE has strongly advocated for provisions in these bills that protect those in the federal workforce who are on the frontlines and deemed essential, as well as those who made a quick transition to telework. AFGE has advocated for various federal employee issues including expediting the distribution of proper personal protective equipment (PPE), providing hazardous duty pay for frontline workers, allowing for an automatic presumption of workplace illness, and expanding agencies’ telework capacity during the pandemic. While Congress has considered numerous pieces of legislation in response to the COVID-19 Pandemic, the following bills directly affect AFGE members and are included in the AFGE 2020 Voting Record:

The “Coronavirus Preparedness and Response Supplemental Act of 2020” (H.R. 6074)

AFGE strongly supported H.R. 6074, the “Coronavirus Preparedness and Response Supplemental Act of 2020.” AFGE represents thousands of federal and D.C. employees whose jobs require contact with individuals with health emergencies, the traveling public and others who may have been exposed to the coronavirus. AFGE fully supported the inclusion of funds made available to the National Institute of Environmental Health Sciences for worker-based training to prevent and reduce exposure of hospital employees, emergency first responders, and other workers who are at risk of exposure to coronavirus through their work duties.

The “Families First Coronavirus Response Act” (H.R. 6201)

AFGE strongly supported H.R. 6201, the “Families First Coronavirus Response Act.” Through AFGE’s lobbying efforts, this legislation provided federal workers with two weeks of emergency paid sick leave for those who contracted the virus or needed time to care for a family member who became ill. The bill also provided stimulus payments to families meeting specified income requirements.

The “Health and Economic Recovery Omnibus Emergency Solutions (HEROES) Act” (H.R. 6800)

AFGE strongly supported H.R. 6800, the “Health and Economic Recovery Omnibus Emergency Solutions (HEROES) Act.” The “HEROES Act” included many provisions in support of federal workers during the COVID-19 pandemic. This bill provided premium pay for employees whose duties, work setting, and interaction with the public placed them in danger of contracting COVID-19, as well as an automatic presumption of workplace illness if a worker contracted the virus in the performance of their duties.

The HEROES Act also included provisions to ensure adequate PPE and COVID-19 testing for all workers, expanded telework for all eligible federal workers, and required the director of the Occupational Safety and Health Administration (OSHA) to issue an emergency temporary standard and a permanent OSHA standard for those employees on the front lines fighting the COVID-19 pandemic and those exposed due to the nature of their duties. As AFGE represents thousands of employees of the District of Columbia who are on the frontlines in the nation’s capital serving and protecting Americans who live and work in D.C., AFGE fully supported provisions in the bill that treated D.C. as a state for the purposes of funding for prevention, treatment, and pandemic recovery.

The “HEROES Act” also included language that allowed the work-related deaths of Public Safety Officers due to COVID-19 to qualify as a personal injury for purposes related to Public Safety Officers death and disability benefits, and law enforcement officers (LEOs) who contracted COVID-19 to retain their LEO federal retirement eligibility even if they were no longer able to work as a LEO.

The “HEROES Act” passed the House of Representatives but was not considered in the U.S. Senate. AFGE will continue to lobby for many of the provisions included in the HEROESs Act in future COVID-19 relief packages.

The Consolidated Appropriations Act, FY 2021 (H.R. 133)

AFGE supported H.R. 133, the “Consolidated Appropriations Act, FY 2021.” This was a compromise bill that prevented a government shutdown and provided additional stimulus relief. Specifically, the bill provided an additional \$600 in stimulus checks for many Americans and extended an increase in unemployment benefits that had lapsed.

AFGE supported each of these bills and will continue to fight for federal workers as additional COVID-19 relief packages are negotiated during the 117th Congress.

**The House approved H.R. 6074 on March 4, 2020 by a vote of 415-2 (D: 222-0; R: 192-2; I: 1-0).
A “Yes” vote in support of the “Coronavirus Preparedness and Response Supplemental**

The House approved H.R. 6201 on March 14, 2020 by a vote of 363-40 (D: 223-0; R: 140-40; I: 0-0-1). A “Yes” vote in support of the “Families First Coronavirus Response Act” is counted as a “Right” vote.

The House approved H.R. 6800 on May 15, 2020 by a vote of 208-199 (D: 207-14; R: 1-184; I: 0-1). A “Yes” vote in support of the “Health and Economic Recovery Omnibus Solutions (HEROES) Act” is counted as a “Right” vote.

The House approved H.R. 133 on December 21, 2020 by a vote of 327-85 (D: 192-41; R: 134-43; I: 1-1). A “Yes” vote in support of the “Consolidated Appropriations Act, 2021” is counted as a “Right” vote.

3. Rights for Transportation Security Officers

The “Rights for Transportation Security Officers Act” (H.R. 1140) – Roll Call Vote #90

AFGE strongly endorsed H.R. 1140, the “Rights for Transportation Security Officers Act.” If enacted, this bill would have provided Transportation Security Officers (TSOs) the same basic collective bargaining rights enjoyed by most of the federal workforce, including other employees of the Department of Homeland Security.

When the Transportation Security Administration was established, its administrator was given uniquely broad authority over the workforce to set pay and working conditions. As a result, TSOs do not benefit from the Fair Labor Standards Act or the General Schedule pay scale and do not have the representational rights afforded by Congress to most of the federal workforce under the Civil Service Reform Act of 1978. TSOs cannot appeal adverse personnel decisions to a neutral party, a right held by most law enforcement officers who serve elsewhere within the Department of Homeland Security. Enacting the “Rights for Transportation Security Officers Act” would correct these problems.

Through its advocacy efforts, AFGE was able to secure 242 bipartisan co-sponsors for the “Rights for Transportation Security Officers Act.” AFGE will work with Congress to reintroduce this bill and enact it into law during the 117th Congress.

The House approved H.R. 1140 on March 5, 2020 by a vote of 230-171 (D: 216-0; R: 14-170; I: 0-1). A “Yes” vote in support of the “Rights for Transportation Security Officers Act” is counted as a “Right” vote.

4. Washington, D.C. Statehood

The “Washington, D.C. Admission Act” (H.R. 51) – Roll Call Vote #122

AFGE strongly endorsed H.R. 51, the “Washington, D.C. Admission Act.” If enacted, this bill would grant statehood to the populated portions of the District of Columbia, making it the 51st state in the union.

Federal employees who live and work in the District of Columbia, and indeed all residents of Washington, D.C., deserve to have full and equal representation in Congress. States are the fundamental structure for our system of government and to deny a population the ability to form a state denies them the ability to fully participate in self-governance. Any solution short of statehood would simply continue the two-tiered system of citizenship the residents of the District of Columbia have endured for more than 200 years.

One in five residents of the District of Columbia – more than 140,000 people – work for the federal government, including thousands of AFGE members, and yet do not have equal representation in the government for which they work. This must be corrected.

The “Washington, D.C. Admission Act” passed the House of Representatives but was not considered in the U.S. Senate. Identical legislation was reintroduced in the 117th Congress, again receiving the designation of H.R. 51 in the House of Representatives and S. 51 in the Senate. AFGE will continue to support this legislation until all AFGE members residing in Washington, D.C. have the same rights and representation as their brothers and sisters residing in the 50 states.

The House approved H.R. 51 on June 26, 2020 by a vote of 232-180 (D: 232-1; R: 0-178; I: 0-1). A “Yes” vote in support of the “Washington, D.C. Admission Act” is counted as a “Right” vote.

5. Expanding Collective Bargaining Rights for Transportation Security Officers

The “INVEST in America Act” (H.R. 2) – Roll Call Vote #138

The Foxx Amendment to the “INVEST in America Act” (H.R. 2) – Roll Call Vote #135

AFGE strongly supported the “INVEST in America Act.” AFGE is proud to represent 44,000 Transportation Security Officers (TSOs) at the Transportation Security Administration (TSA) who protect the flying public, employees at both the Federal Aviation Administration (FAA) and employees at the Department of Transportation headquarters who keep travelers safe, and all of whom would benefit from the infrastructure investments and worker provisions in the bill. AFGE strongly advocated for the bill’s inclusion of a provision that grants title 5 collective bargaining rights to TSOs. Title 5 rights would support TSOs by providing due process and fair pay to this dedicated workforce, especially as they continue to answer the call on the frontlines during the current COVID-19 pandemic.

In addition to supporting title 5 rights for TSOs in the bill, AFGE opposed the Foxx Amendment to the “INVEST in America Act.” If enacted, this amendment would have eliminated prevailing wage laws with respect to transportation projects. AFGE stands with our brothers and sisters in the construction trades whose hard work should earn them a living wage.

The House approved H.R. 2 on July 1, 2020 by a vote of 233-188 (D: 230-2; R: 3-185; I: 0-1). A “Yes” vote in support of the “INVEST in America Act” is counted as a “Right” vote.

The House rejected the Foxx Amendment to H.R. 2 on July 1, 2020 by a vote of 147-274 (D: 0-232; R: 146-42; I: 1-0). A “No” vote in opposition to the Foxx Amendment to the “INVEST in America Act” is counted as a “Right” vote.

6. Financial Relief for the United States Postal Service

The “Delivering for America Act” (H.R. 8015) – Roll Call Vote #182

AFGE supported the “Delivering for America Act.” In solidarity with its AFL-CIO sisters and brothers of the National Association of Letter Carriers (NALC), the American Postal Workers Union (APWU), and the National Postal Mail Handlers Union (NPMHU), AFGE stands in support of legislation that will assist the U.S. Postal Service and support all postal workers.

If enacted, this bill would have provided \$25 billion in financial relief to the Postal Service to offset the financial impact of the COVID-19 pandemic. It is critical that the Postal Service remain financially viable and operational as the Postal Service is a critical part of America’s infrastructure. The universal mail service provided by the Postal Service allows for the physical and financial wellbeing of senior citizens, veterans, residents of rural areas, and everyone who relies on mail delivery of prescription drugs, paychecks, and benefit payments.

The Postal Service also plays a crucial role in the nation’s elections. Voting by mail is a safe and reliable way for many Americans to cast their ballots in all elections and was vital in allowing many Americans to vote without putting their health at risk during the COVID-19 pandemic.

While the “Delivering for America Act” was not enacted, the Consolidated Appropriations Act, FY 2021, that was signed into law in December of 2020 converted a \$10 billion line of credit given to the USPS into \$10 billion in direct aid with no requirement to repay the government.

AFGE will continue to stand with its sisters and brothers who provide critical government services to the American people.

The House approved H.R. 8015 on August 22, 2020 by a vote of 257-150 (D: 231-0; R: 26-149; I: 0-1). A “Yes” vote in support of the “Delivering for America Act” is counted as a “Right” vote.

7. Pregnant Workers Fairness Act

The “Pregnant Workers Fairness Act” (H.R. 2694) – Roll Call Vote #195

AFGE strongly supported the “Pregnant Workers Fairness Act.” If enacted, this bill would expand worker protections and accommodations to workers who are pregnant. The bill would also combat workplace discrimination by ensuring reasonable workplace accommodations for workers whose ability to perform the functions of a job are limited by pregnancy, childbirth, or a related medical condition.

No worker should have to choose between a healthy pregnancy and a paycheck. Employees who have difficulty performing certain work duties without risking their own health or the health of their pregnancy should not be subjected to dangerous conditions to keep their job.

Enacting the “Pregnant Workers Fairness Act” would ensure that pregnant workers are not forced to take unpaid leave or be terminated for needing accommodations at work. This bill would also have created an objective process for pregnant workers to obtain necessary accommodations in a timely manner. AFGE will continue to support legislation that protects AFGE members and all working people.

The House approved H.R. 2694 on September 17, 2020 by a vote of 329-73 (D: 226-0, R: 103-72; I: 0-1). A “Yes” vote in support of the “Pregnant Workers Fairness Act” is counted as a “Right” vote.

8. Emmett Till Antilynching Act

The “Emmett Till Antilynching Act” (H.R. 35) – Roll Call Vote #71

AFGE was proud to support the “Emmett Till Antilynching Act.” This broadly bipartisan legislation would finally codify lynching as a federal hate crime and help right one of the worst historical wrongs in our nation’s history.

Between 1882, and 1968, a reported 4,742 individuals, a vast majority being African Americans, were lynched in the United States in 46 of the 50 states. Despite this gross harm, 99 percent of all perpetrators of lynching faced no repercussions from state or local authorities. Congress has attempted numerous times in the past to make this a federal crime, but it has not succeeded. This is a dark stain on America’s history that can never be erased.

AFGE and the labor movement have a long and proud history as members of the social justice movement. AFGE will continue to fight for the safety and rights of all its members, and work to make sure that the arc of the moral universe bends towards justice.

The House approved H.R. 35 on February 26, 2020 by a vote of 410-4 (D: 222-0, R: 188-3; I: 0-1). A “Yes” vote in support of the “Emmett Till Antilynching Act” is counted as a “Right” vote.

9. The National Apprenticeship Act

The “The National Apprenticeship Act” (H.R. 8294) – Roll Call Vote #227

AFGE supported the “The National Apprenticeship Act.” In solidarity with its AFL-CIO sisters and brothers of the Laborers' International Union of North America (LIUNA), the North America’s Building Trades Unions (NABTU) and many other affiliates, AFGE stood in support of legislation that would have led to new jobs and stronger union membership.

If enacted, this legislation would have spent \$3.5 billion over five years creating new apprenticeships around the nation at the “Registered Apprenticeship,” youth apprenticeship, and pre-apprenticeship level. This program would also help AFGE in an ancillary way, as different components and benefits of the program would have been administered by the Departments of Education, Labor, and Veterans Affairs, leading to additional work, and potentially new jobs for current and future AFGE members.

AFGE will continue to stand with its fellow unions who will help strengthen and grow the labor movement, and work to advocate for its own members and they work to implement programs that will help their sisters and brothers in the labor movement.

The House approved H.R. 8294 on February 26, 2020 by a vote of 246-140 (D: 226-0, R: 20-139; I: 0-1). A “Yes” vote in support of the “The National Apprenticeship Act” is counted as a “Right” vote.

1. COVID-19 Relief

The “Coronavirus Preparedness and Response Supplemental Appropriations Act of 2020” (H.R. 6074) – Roll Call Vote #66.

The “Families First Coronavirus Response Act” (H.R. 6201) – Roll Call Vote #76

The “Consolidated Appropriations Act, 2021” (H.R. 133) – Roll Call Vote #289

Overview:

Since early March 2020, Congress has passed multiple pieces of legislation to address the COVID-19 pandemic. AFGE has strongly advocated for provisions in these bills that protect those in the federal workforce who are on the frontlines and deemed essential, as well as those who made a quick transition to telework. AFGE has advocated for various federal employee issues including expediting the distribution of proper personal protective equipment (PPE), providing hazardous duty pay for frontline workers, allowing for an automatic presumption of workplace illness, and expanding agencies’ telework capacity during the pandemic. While Congress has considered numerous pieces of legislation in response to the COVID-19 Pandemic, the following bills directly affect AFGE members and are included in the AFGE 2020 Voting Record:

The “Coronavirus Preparedness and Response Supplemental Act of 2020” (H.R. 6074)

AFGE strongly supported H.R. 6074, the “Coronavirus Preparedness and Response Supplemental Act of 2020.” AFGE represents thousands of federal and D.C. employees whose jobs require contact with individuals with health emergencies, the traveling public and others who may have been exposed to the coronavirus. AFGE fully supported the inclusion of funds made available to the National Institute of Environmental Health Sciences for worker-based training to prevent and reduce exposure of hospital employees, emergency first responders, and other workers who are at risk of exposure to coronavirus through their work duties.

The “Families First Coronavirus Response Act” (H.R. 6201)

AFGE strongly supported H.R. 6201, the “Families First Coronavirus Response Act.” Through AFGE’s lobbying efforts, this legislation provided federal workers with two weeks of emergency paid sick leave for those who contracted the virus or needed time to care for a family member who became ill. The bill also provided stimulus payments to families meeting specified income requirements.

The Consolidated Appropriations Act, FY 2021 (H.R. 133)

AFGE supported H.R. 133, the “Consolidated Appropriations Act, FY 2021.” This was a

compromise bill that prevented a government shutdown and provided additional stimulus relief. Specifically, the bill provided an additional \$600 in stimulus checks for many Americans and extended an increase in unemployment benefits that had lapsed.

AFGE supported each of these bills and will continue to fight for federal workers as additional COVID-19 relief packages are negotiated during the 117th Congress.

The Senate approved H.R. 6074 on March 5, 2020 by a vote of 96-1 (D: 45-0; R: 51-1). A “Yes” vote in support of the “Coronavirus Preparedness and Response Supplemental Appropriations Act of 2020” is counted as a “Right” vote.

The Senate approved H.R. 6201 on March 18, 2020 by a vote of 90-8 (D: 47-0; R: 43-8). A “Yes” vote in support of the “Families First Coronavirus Response Act” is counted as a “Right” vote.

The Senate approved H.R. 133 on December 21, 2020 by a vote of 92-6 (D: 48-0; R: 44-6). A “Yes” vote in support of the “Consolidated Appropriations Act, 2021” is counted as a “Right” vote.

2. Supreme Court Nomination

The confirmation of Amy Coney Barrett to be an Associate Justice of the Supreme Court of the United States – Roll Call Vote #224

AFGE strongly opposed the nomination of Amy Coney Barrett as an Associate Justice of the U.S. Supreme Court. Regardless of the controversial circumstances surrounding the timing of her nomination, Justice Barrett’s anti-union record from her time as a professor and judge on the Seventh Circuit Court of Appeals made opposing her nomination a clear choice.

In the case *United States EEOC v. AutoZone Inc.* (2017), then Judge Barrett voted with the majority in refusing to hear an appeal, after a smaller group of judges ruled that the defendant AutoZone did not place employees in particular stores based upon their race. The dissent stated that “[u]nder panel’s reasoning, this separate-but-equal arrangement is permissible under Title VII so long as the “separate” facilities really are ‘equal.’”

In another case titled *Kleber v. CareFusion Corp.* (2019), Judge Barrett joined with the majority to uphold a lower court ruling that, as the court stated, prevented a claim “for age discrimination from being brought under a theory of disparate impact liability,” and in turn hurt workers’ abilities to bring cases under the Age Discrimination in Employment Act.

AFGE will continue to oppose anti-worker nominees to the federal bench and looks forward to supporting the nominations of pro worker nominees in the future.

The Senate confirmed Amy Coney Barrett to be an Associate Justice of the Supreme Court of the United States on October 26, 2020 by a vote of 52-48 (D: 0-47; R: 52-1). A “No” vote in opposition to Justice Barrett’s nomination is counted as a “Right” vote.
