

Has the telework or remote work policy at your agency changed since our last survey in mid-2021?

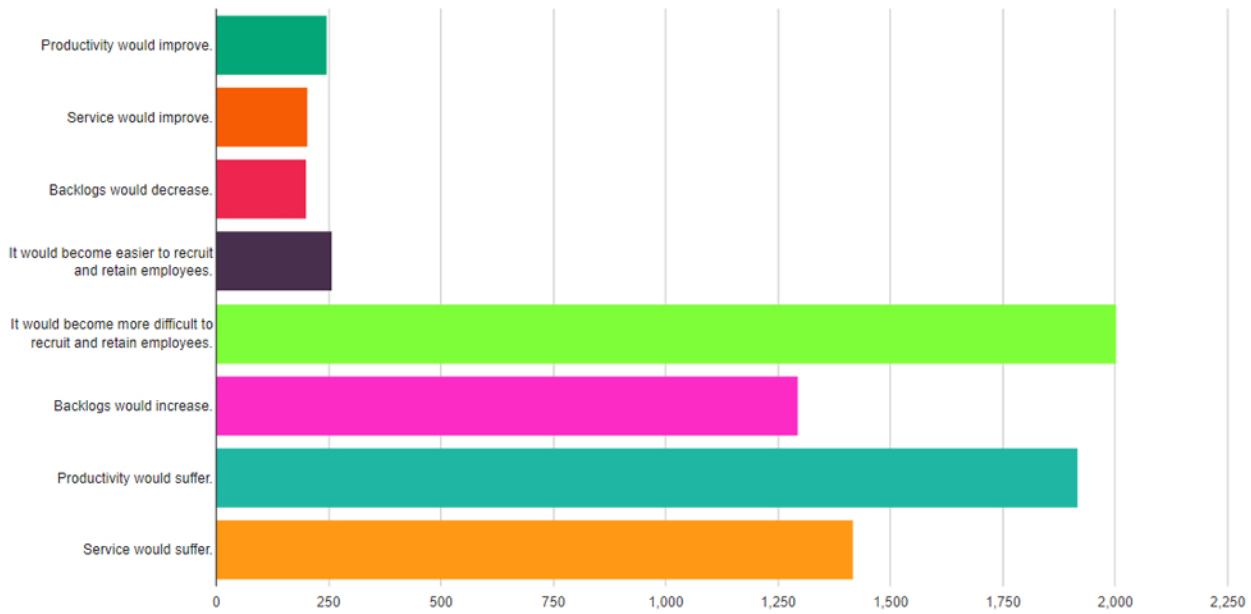

Are you currently teleworking or working remotely?

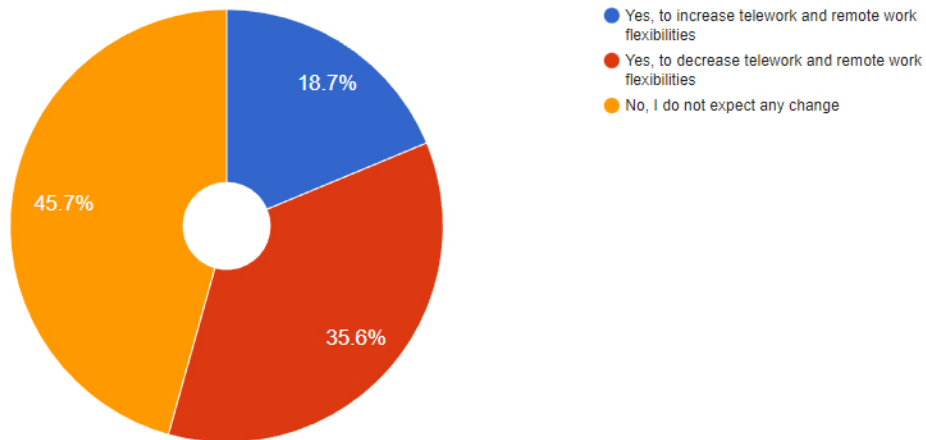

How have remote work and telework affected productivity at your agency?

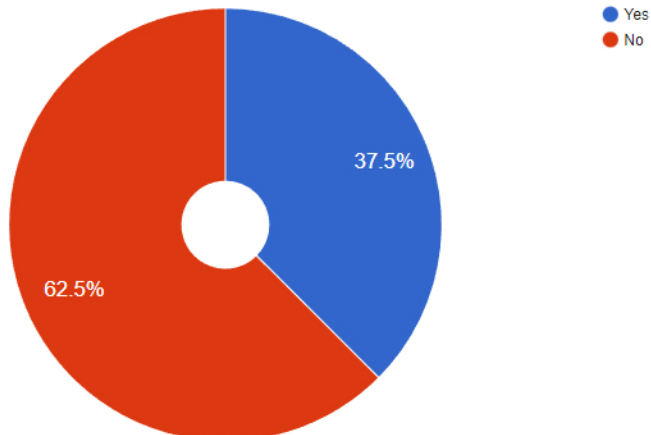

If the number of days employees were allowed to telework/work remotely were to be reduced, which of the following do you think would happen (choose all that apply):

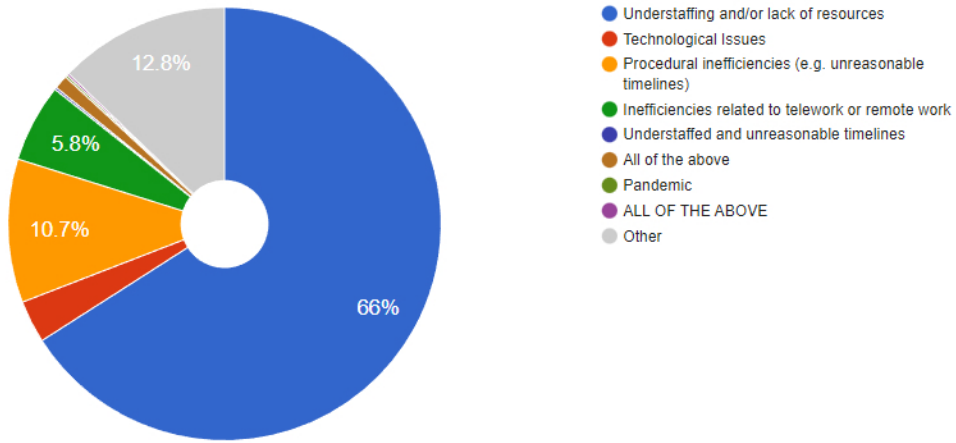

Do you expect remote and telework options in your agency to change in the near future?

Is your agency experiencing any backlogs in processing routine requests at the moment?

To what do you attribute the backlogs?

In your opinion, what is the greatest barrier to providing better services at your agency?
