

What Cuts to the EPA Mean For You

Historic Cuts

Proposed cuts to the EPA would take funding back to **1970 levels**

Critical programs at risk:

Clean up run-off pollution that goes into drinking water

Fix underground tanks that leak toxins into the soil and water

Monitor air pollution for Code Red unsafe air days

What will these cuts mean?

50
Programs eliminated
21%
Staff cut

- · More toxic runoff in our drinking water
- More feces & bacteria at beaches, lakes, and streams
- More asthma attacks, especially among children
- More heart attacks among seniors
- Fewer cleanups of toxic waste sites
- More exposure to lead and cancer-causing radon gas

EPA budget cuts harm states + taxpayers

Cuts to legal and investigative staff let polluters off the hook and stick taxpayers with the bill.

State and local agencies will have to bear more costs to make up for federal cuts.

AMERICAN FEDERATION OF GOVERNMENT EMPLOYEES, AFL-CIO

REQUEST FOR PAYROLL DEDUCTIONS FOR LABOR ORGANIZATION DUES

Section 5525 of title 5 United States Code (Allotments and Assignments of Pay) permits Federal agencies to collect this information. This completed form is used to request that labor organization dues be deducted from your pay and to notify your labor organization of the deduction. Completing this form is voluntary, but it may not be processed if all requested information is not provided.

This record may be disclosed outside your agency to: I) the Department of the Treasury to make proper financial adjustments; 2) a Congressional office if you make an inquiry to that office related to this record; 3) a court or an appropriate Government agency if the Government is party to a legal suit; 4) an appropriate law enforcement agency if we become aware of a legal violation; 5) an organization which is a designated collection agent of a particular labor organization; and 6) other Federal agencies for management, statistical and other official functions (without your personal identification).

Executive Order 9397 allows Federal agencies to use the social security number (SSN) as an individual identifier to avoid confusion caused by employees with the same or similar names. Supplying your SSN is voluntary, but failure to provide it, when it is used as the employee identification number, may mean that payroll deductions cannot be processed.

Your agency shall provide an additional statement if it uses the information furnished on this form for purposes other than those mentioned above.
