

**Settlement Agreement between
Department of Veterans Affairs
&
National Veterans Affairs Council,
American Federation of Government Employees, AFL-CIO**

**Re: WA-CA-21-0435 and WA-CA-22-0548
Retroactive Bargaining Under Section 714 of the Accountability Act**

I. Preamble

American Federation of Government Employees, AFL-CIO, National Veterans Affairs Council #53 ("AFGE/NVAC" or "Union"), and the Department of Veterans Affairs ("VA" or "Department") (collectively "the Parties"), hereby agree to settle all disputes arising out of the Union's Unfair Labor Practice Charges, WA-CA-21-0435 dated September 2, 2021 and WA-CA-22-0548 dated July 30, 2022 ("ULP Charges"), concerning VA's failure to satisfy procedures and appropriate arrangements (impact and implementation) bargaining obligations with the Union prior to implementing 38 U.S.C. §714 ("Section 714") of the VA Accountability and Whistleblower Protection Act ("Accountability Act"), as set forth in the arbitration award of Arbitrator Hyman Cohen, FMCS No. 17-0921-55048 dated March 11, 2021 ("Cohen Award").

On June 23, 2017, the Accountability Act was signed into law. The Department implemented Section 714 of the Accountability Act prior to providing notice to the Union and an opportunity to bargain. As a result, on August 1, 2017, the Union filed a national grievance regarding the Department's unilateral implementation of Section 714 of the Accountability Act.

On November 20, 2019, the Federal Labor Relations Authority ("FLRA") granted the AFGE/NVAC's Exceptions and found that the Accountability Act did not excuse the Department from its statutory duty to bargain over the procedures and appropriate arrangements (impact and implementation) of implementing Section 714. The FLRA further denied the Department's Request for Reconsideration of the decision.

On March 13, 2021, Arbitrator Hyman Cohen issued an Opinion and Award ordering the Parties to engage in retroactive bargaining to remedy the statutory violation. However, the Parties did not reach agreement.

On September 2, 2021, the Union filed an unfair labor practice charge ("ULP") with the FLRA, Charge No. WA-CA-21-0435, to enforce the Cohen Award. The Union also sought the assistance of the Federal Service Impasses Panel ("Panel") to break the impasse between the Parties. However, the Panel declined jurisdiction, in part due to VA's raising that some of the Union's proposals were "covered by the 2011 Master Agreement." This resulted in the Union filing another ULP charge with the FLRA, Charge No. WA-CA-22-0548, on July 30, 2022, asserting that the Parties waived the "covered by" defense in the Master Agreement. Later, the Parties mutually agreed to engage in pre-Complaint mediation of the ULP charges with the FLRA Collaboration and Dispute Resolution Office ("FLRA-CADRO") to resolve disputes concerning VA's compliance with the Cohen Award.

On March 5, 2023, the Assistant Secretary for Human Resources and Administration/Operations, Security and Preparedness, issued a memorandum announcing that the Secretary decided "to cease using the provisions of 38 U.S.C. § 714 to propose new adverse

actions against employees effective April 3, 2023." Resultingly, "[n]o new adverse actions will be proposed under section 714 on or after April 3, 2023."

The following constitutes an agreement between the Department and the Union on the remedy related to the Department's unilateral implementation of Section 714. This Settlement Agreement ("Agreement") resolves all disputes and claims between AFGE/NVAC and VA as to VA's compliance with the Cohen Award, with the exception of any claims that may arise through breach of this Agreement.

II. Terms of Agreement

By execution of this Agreement, the Parties agree to the following:

A. Section 714 MOU: If the Department decides to use Section 714 for AFGE bargaining unit employees (BUEs), it will notify the Union and bargain procedures and appropriate arrangements pursuant to 5 U.S.C. § 7106(b)(2) and (3) prior to its implementation of Section 714 with AFGE/NVAC.

B. Eligible AFGE BUEs: The Parties agree that the following categories of AFGE BUEs are eligible for relief under this Agreement as stated below ("Eligible AFGE BUEs").

1. **Group A.** This category includes employees who received removal decisions under Section 714 effectuated (e.g., with a SF-50 or other official document) between June 23, 2017, and the effective date of this Agreement (including the employee who filed FLRA charge WA-CA-21-0261, those who filed an appeal of their removal, those who retired after the removal was effectuated, and those who were unable to be reached under the Ross Settlement or did not respond to the Ross Settlement) and who do not fall within the Groups defined below.
2. **Group B.** This category includes Eligible AFGE BUEs who received removal decisions under Section 714 effectuated (e.g., with a SF-50 or other official document) between June 23, 2017, and the effective date of this Agreement for conduct demonstrating Grievous Misconduct. Grievous Misconduct refers to a removal decision where the substance of a charge and the supporting evidence provided to the deciding official, regardless of the name of the charge, is related to patient abuse, reckless or intentional disregard for patient welfare, racial harassment, sexual harassment, impairment on duty, violent threats, reckless or intentional endangerment of others, and/or criminal activity (e.g., possession of a controlled substance, unauthorized possession of a weapon at work, or fraud amounting to more than \$20,000) without regard to whether the government pursued criminal charges. Conduct meeting the definition of Grievous Misconduct must have been part of the charge(s) upheld in the final decision.
 - a. No later than 120 days following the execution of this Agreement, the Department will submit to the Union the proposals, evidence files, and final decisions for employees it has identified as meeting the definition of Grievous Misconduct.
 - b. No later than 60 days following the Department's production of the proposal, evidence file, and final decision, the Union will submit in writing any disputes to the Department. The Parties will then meet virtually, or in person in Washington, DC by mutual agreement, to attempt to resolve the disputes. Each Party will be responsible for their own travel costs associated with this dispute process.

- c. No later than 60 days after the meeting, the Union will submit all remaining, unresolved disputes to an arbitrator selected using the procedures in Article 44 of the Master Agreement. The Union will initiate the arbitration process by providing a notice to invoke arbitration to the Department. There is no requirement for the Union to first file a Grievance to invoke arbitration in this matter.
 - d. The scope of the arbitrator's jurisdiction will be limited to determining whether the proposal, evidence file, and final decision for each employee meets the definition of Grievous Misconduct described in II(B)(2) for each individual case.
 - e. The issue presented to the arbitrator, for each employee, will be: Whether the substance of a charge and the evidence provided to the deciding official, regardless of the name of the charge, is related to: patient abuse, reckless or intentional disregard for patient welfare, racial harassment, sexual harassment, impairment on duty, violent threats, reckless or intentional endangerment of others, and/or criminal activity (e.g., possession of a controlled substance, unauthorized possession of a weapon at work, or fraud amounting to more than \$20,000) without regard to whether the government pursued criminal charges.
 - f. If the arbitrator finds in the affirmative, the individual case will be placed in Group B. If the arbitrator finds in the negative, the individual case will be placed in Group A.
 - g. The Department may request the arbitrator to reconsider the decision. If the Department loses the reconsideration, it will pay the full costs for the arbitrator's reconsideration decision and pay the related Union attorney fees and costs.
3. **Group C.** This category includes employees who received a suspension decision effectuated (e.g., with a SF-50 or other official document) under Section 714 for a period greater than fourteen (14) days between June 23, 2017, and the effective date of this Agreement.
 4. **Group D.** This category includes employees who received a demotion decision effectuated (e.g., with a SF-50 or other official document) under Section 714 between June 23, 2017, and the effective date of this Agreement.
 5. **Last Chance Agreement.** This category includes employees who executed a Last Chance Agreement predicated on a Section 714 action and were later removed for violating that Last Chance Agreement.
 6. **Disability Retirees.** This category includes employees who received a proposed adverse action and disability retired from the Department prior to a resolution on the proposal or received a removal decision under Section 714 between June 23, 2017, and the effective date of this Agreement and later filed for retirement disability and received an annuity from the Office of Personnel Management ("OPM").
 7. **Resignation in Lieu Of.** This category includes employees who received a proposed adverse action under Section 714 and who resigned from federal service prior to VA effectuating a final decision under Section 714 between June 23, 2017, and the effective date of this Agreement.
 8. **Retired in Lieu Of.** This category includes employees who received a proposed adverse action under Section 714 and who retired from federal service prior to VA effectuating a final decision under Section 714 between June 23, 2017, and the effective date of this Agreement.

9. **Individual Employee Settlements.** This category includes employees who received a proposed adverse action or decision under Section 714 between June 23, 2017, and the effective date of this Agreement and executed an individual settlement agreement with VA resolving said Section 714 action.

C. Relief for Eligible AFGE BUEs. The Parties agree that the Department will provide the following relief to each category of Eligible AFGE BUEs.

1. **Group A.** Eligible AFGE BUEs in this category are entitled to the option of reinstatement or no reinstatement.

a. **Reinstatement.** If the Eligible AFGE BUE chooses reinstatement, they will receive a lump sum of thirty-five percent (35%) of their gross monthly salary at the time of their removal times the number of months removed. Number of months will be calculated by taking the total number of days removed and dividing by thirty (30). If there are excess days, fifteen (15) days or more will be counted as a month. The Eligible AFGE BUE must meet all eligibility requirements, including but not limited to, a suitability review; otherwise, they will receive a lump sum payment without reinstatement pursuant to Section II(C)(1)(b). Eligible AFGE BUEs will not be required to serve a new probationary period.

1. **Personnel Records and No New Probationary Period.** The Department will memorialize the lack of a new probationary period in the following manner:

- A. For Title 5 employees eligible for reinstatement under 5 C.F.R. §315 subpart D, the removal SF-50 will be purged and replaced with a resignation SF-50. The employee will be reappointed using this reinstatement authority.
- B. For Title 5 employees ineligible for reinstatement under 5 C.F.R. §315, subpart D, but eligible for an alternate appointing authority which does not result in an additional probationary period such as Veterans Recruitment Appointment (VRA), 30% or more disabled veteran, or Schedule A, will be reappointed under these authorities.
- C. For Title 5 employees ineligible for any other appointing authority which would not require an additional probationary period to be served, the Department will rescind the removal SF-50 and process timecards indicating the employee was on leave without pay from the effective date of the removal until the effective date of the Eligible AFGE BUE's return to work. The Eligible AFGE BUE will waive health insurance coverage as of the date of the original removal. The return to a pay status will be a qualifying life event to reinstate health insurance coverage.
- D. All Title 38 Hybrid employees will be reappointed under 38 U.S.C. §7401(3) with no additional probationary period required.

2. **Reinstatement Process.** The Department will reinstate the Eligible AFGE BUE in the following manner:

- A. The Department will place the Eligible AFGE BUE in their previous position and grade.

- B. If the previous position and grade are not available, the Department will place the Eligible AFGE BUE in a similar position for which they are qualified at the same grade, bargaining unit, location (three-digit duty station code), and shift.
- C. If a similar position is not available, the Department will select a position at same grade and location (three-digit duty station code) for which the employee is qualified. The Department will notify the Eligible AFGE BUE of this decision and the following will apply:
 - 1. If the Eligible AFGE BUE accepts the Department's decision, the Department will also give priority consideration to the Eligible AFGE BUE. The priority consideration will apply to their previous position if the previous position is vacant and approved to be filled within one (1) year from reinstatement. If needed, the local definition of seniority will be the tiebreaker among Eligible AFGE BUEs with priority consideration.
 - 2. If Eligible AFGE BUE rejects the Department's decision, the Eligible AFGE BUE can elect to receive the fifty-five percent (55%) lump sum payment set forth in Section II(C)(1)(b) of this Agreement or opt out as set forth in Section II(D)(8) of this Agreement.
 - 3. If Eligible AFGE BUE accepts the Department's decision under protest, AFGE can challenge the selected position by requesting binding arbitration under the Article 44 of the Master Agreement.
 - a. The issue for the arbitrator is: Whether the Department's decision was an abuse of discretion or retaliatory.
 - b. The Eligible AFGE BUE must begin the Department-selected position while the arbitration is pending.
 - c. If the arbitration award decision is in favor of the Department, the Eligible AFGE BUE will continue in the position.
 - d. If the arbitration award is in favor of the Eligible AFGE BUE:
 - i. Within thirty (30) calendar days of the award, the Department must provide the Eligible AFGE BUE with at least two (2) positions but not more than four (4) positions in which the employee qualifies

- at the same grade and location.
 - ii. The Eligible AFGE BUE will select a position within fourteen (14) calendar days of receipt of the list from the Department.
 - iii. The arbitrator has authority to order the Department to reimburse the Eligible AFGE BUE for any out-of-pocket expenses or losses (e.g., shift differentials) due to the Department-selected position pursuant to Section II(C)(1)(a)(2)(C).
 - iv. The Department will pay the Union's attorney fees.
 - v. If at any point during the pendency of the arbitration the previous position becomes available, the Department will place the Eligible AFGE BUE in the position. The Union's request for arbitration will be withdrawn.
- D. VA reserves the right to take appropriate action if the Eligible AFGE BUE does not return to duty. The Eligible AFGE BUE may avail themselves of any right afforded by law or contract in responding to an action taken by VA, if any.
- E. Eligible AFGE BUEs who are retired, and elect reinstatement will be returned to duty as a reemployed annuitant. Any applicable offsets of their annuity and compensation for reinstatement will be applied in accordance with OPM processes. This offset will not be considered a loss in rate of pay.
- F. No Eligible AFGE BUE who elects reinstatement will suffer a loss in the underlying OPM General Schedule base rate of pay. For example, if an Eligible AFGE BUE is reinstated to a sublocation with a different locality pay at the same grade and step previously held, this change in rate of pay is not considered a loss of base pay. For Federal Wage System Eligible AFGE BUEs, rate of pay upon reinstatement will not be less than the rate in effect when the Eligible AFGE BUE was removed in the geographic location to which they are reinstated.
- b. **No Reinstatement.** If the Eligible AFGE BUE chooses to not be reinstated, they will receive a lump sum of fifty-five percent (55%) of their gross monthly salary at the time of their removal times the number of months removed. Number of months will be calculated by taking the total

number of days removed and dividing by thirty (30). If there are excess days, fifteen (15) days or more will be counted as a month. The removal SF-50 will be purged and replaced with a resignation SF-50. However, if the employee is reemployed with VA within four (4) years of their election:

1. They must repay the twenty percent (20%) difference between the election of reinstatement and no reinstatement.
 2. VA will use debt collection procedures consistent with the Department of Veterans Affairs, Financial Policy, Volume XII, Debt Management, Chapter 1, Debt Collection Standards to collect the twenty percent (20%) difference.
2. **Group B.** Eligible AFGE BUEs in this category are entitled to the following:
 - a. Twenty percent (20%) of their monthly gross salary at the time of their removal times the number of months removed. Number of months will be calculated by taking the total number of days removed and dividing by thirty (30). If there are excess days, fifteen (15) days or more will be counted as a month. However, if the employee is reemployed with the Department within four (4) years of their election:
 1. They must repay the lump sum amount.
 2. VA will use debt collection procedures consistent with Department of Veterans Affairs, Financial Policy, Volume XII, Debt Management, Chapter 1, Debt Collection Standards to collect the lump sum amount.
 - b. These employees are not entitled to reinstatement.
 - c. Title 5 employees will not have any change to their removal SF-50.
 - d. Title 38 Hybrid employees will have their removal SF-50 purged and replaced with a resignation in lieu of removal SF-50. VA will provide Title 38 Hybrid employees with a copy of the resignation in lieu of removal SF-50 on or about the time VA provides relief to the Eligible AFGE BUE.
 - e. Eligible AFGE BUEs in this category must consent to a criminal background check prior to receipt of any lump sum amount in order to confirm whether they are excluded pursuant to Section II(E)(7). The timeframe for disbursement of any lump sum will be extended until the background check is completed. The Department must initiate the criminal background check promptly following receipt of the Eligible AFGE BUEs consent to the criminal background check.
3. **Group C.** Eligible AFGE BUEs in this category will receive a lump sum payment of seventy-five percent (75%) of their hourly rate times the number of suspended work hours. The suspension SF-50 will be purged.
4. **Group D.** Eligible AFGE BUEs in this category will receive a lump sum payment of 75% of the difference between the grade and step they were demoted from and the grade and step they were demoted to as well as an option to remain in their current position or be repromoted to a same or substantially similar position at their former grade level and step.
 - a. If the employee chooses to remain in their current position, VA will purge the demotion SF-50 and replace it with a voluntary change to lower grade SF-50.
 - b. If the employee chooses to be repromoted, VA will purge the demotion SF-50 and replace it with a voluntary change to lower grade SF-50.

1. VA will follow the procedures in Section II(C)(1)(a)(2)(A) to place the Eligible AFGE BUE in the same position, and if not available then in a substantially similar position under Section II(C)(1)(a)(2)(B), except the SF-50 will be a promotion SF-50 and not an appointment SF-50.
 2. No Eligible AFGE BUE will suffer a loss in the underlying OPM General Schedule base rate of pay. For example, if an Eligible AFGE BUE is reinstated to a sublocation with a different locality pay at the same grade and step previously held, this change in rate of pay is not considered a loss of base pay. For Federal Wage System Eligible AFGE BUEs, rate of pay upon reinstatement will not be less than the rate in effect when the Eligible AFGE BUE was removed in the geographic location to which they are reinstated.
5. **Last Chance Agreements.** Eligible AFGE BUEs in this category are entitled to a one-time lump sum payment of \$20,000. VA will purge the removal SF-50 and replace it with a resignation SF-50. Employees are not entitled to reinstatement under this Agreement; however, nothing in this Agreement shall be construed as preventing the employee from seeking reemployment or requiring the employee to repay this lump sum should they later become reemployed by the Department.
6. **Disability Retirees.** Eligible AFGE BUEs in this category are entitled to a one-time lump sum payment of \$10,000. VA will purge any removal SF-50 and replace it with a resignation SF-50. D. General Terms for all Eligible AFGE BUEs. The following is applicable to all Eligible AFGE BUEs identified above:

1. **Pending Appeals.** If an Eligible AFGE BUE has a pending appeal, grievance, claim, or complaint related to their adverse action pursuant to Section 714 in another forum ("pending Section 714 appeal") and they want to receive relief under this Agreement, they must waive any right to continue to pursue their pending Section 714 appeal and agree to pay their own expenses in that other forum, including attorney fees related to the pending Section 714 appeal. If the Eligible AFGE BUE has a pending Section 714 appeal, they must so indicate on the Remedy Election Form. The Eligible AFGE BUE must agree that VA may submit their Remedy Election Form in connection with a motion to dismiss or other filing to effectuate the waiver, as appropriate. The Parties encourage all Eligible AFGE BUEs to consult an attorney, if they are represented by legal counsel in another forum, or another representative, if desired.

6. **Employability.** All Eligible AFGE BUEs who are reinstated (Group A) or promoted following a demotion (Group D) must meet all eligibility requirements, e.g., licensing, security, qualifications, suitability review, etc. If an employee does not meet the eligibility requirements for their previous position and therefore cannot be reinstated or re-promoted, the employee will not be reinstated or re-promoted and will receive the applicable lump sum payment.

- c. Lump sum payments are in lieu of back pay and any and all related benefits, differentials, allowances, etc.
 - d. If VA does not render payment within 120 days after receipt of an accurate election form and vendorization, VA will pay 5% simple interest on the lump sum amount on Day 121, and the same additional 5% simple interest on the original amount will be added every 90-day period thereafter until payment is submitted to the Eligible AFGE BUE.
8. **Opt-out.** Any Eligible AFGE BUE may elect to opt out of this Agreement. All Eligible AFGE BUEs should consult with an attorney, if desired.
9. **Impact on Annuities.** The Parties make no representation as to this Agreement's impact on annuities or retirement benefits from the OPM, or other administrative agency. All Eligible AFGE BUEs should consult with a retirement professional, if desired.

G. Prohibition of Double Relief Under this Agreement. Eligible AFGE BUEs may only receive relief under one Category in this Agreement. Eligible AFGE BUEs are placed in

the Category for which they last qualify in time. For example, if an employee was removed for violating a Last Chance Agreement predicated on a Section 714 action, and later executes an individual settlement agreement resolving claims arising from their removal, they fall into the category of "Individual Employee Settlements."

H. Prohibition of Relief if Section 714 Action was Rescinded. The Parties agree that Eligible AFGE BUEs are excluded from relief if their Section 714 proposal or decision was rescinded and reissued under legal authorities other than Section 714.

NOTICE TO EMPLOYEES

POSTED PURSUANT TO A SETTLEMENT AGREEMENT BETWEEN THE AMERICAN FEDERATION OF GOVERNMENT EMPLOYEES (UNION) AND U.S. DEPARTMENT OF VETERANS AFFAIRS (DEPARTMENT)

This notice is being sent to AFGE bargaining unit employees as a result of a Settlement Agreement executed between AFGE and VA concerning VA's failure to satisfy bargaining obligations with AFGE prior to implementing 38 U.S.C. §714 ("Section 714") of the VA Accountability and Whistleblower Protection Act ("Accountability Act"), as set forth in the arbitration award of Arbitrator Hyman Cohen, FMCS No. 17-0921-55048 dated March 11, 2021 ("Cohen Award").

On June 23, 2017, the Accountability Act was signed into law. On August 1, 2017, the Union filed a national grievance regarding the Department's unilateral implementation of the Accountability Act. On November 20, 2019, the Federal Labor Relations Authority ("FLRA") found that the Accountability Act did not excuse the Department from its statutory duty to bargain procedures and appropriate arrangements (impact and implementation). The FLRA further denied the Department's Request for Reconsideration of the decision. On March 13, 2021, Arbitrator Hyman Cohen issued an Opinion and Award ordering the Parties to engage in retroactive bargaining to remedy the statutory violation. However, the Parties did not reach agreement.

During retroactive bargaining, the Union filed two unfair labor practice charges with the FLRA to enforce the Cohen Award, Charge No. WA-CA-21-0435 and Charge No. WA-CA-22-0548. Later, the Parties mutually agreed to engage the FLRA Collaboration and Dispute Resolution Office to resolve disputes concerning VA's compliance with the Cohen Award. The Parties later executed a Settlement Agreement resolving these disputes.

By and through this Notice, the Department reaffirms and agrees to fully satisfy its duty to bargain in good faith with the Union and to comply with final and binding arbitration awards between the Parties.

Please do not reply to this email. If you have any questions about this notification, please contact your local AFGE representative directly.

VA will not interfere with, restrain, or coerce employees, or their designated representatives, in the exercise of rights assured by law.

You have been identified as a current or former employee of the United States Department of Veterans Affairs (VA). Also, you have been identified as an American Federation of Government Employees (AFGE) bargaining unit employee who received a disciplinary action under the authority of 38 U.S.C. § 714.

As a result of an arbitration award issued by Hyman Cohen on March 11, 2021, AFGE, Nat'l Veterans Affairs Council #53, and Dep't of Veterans Affairs, FMCS Case No. 17-0921-55048, VA was ordered to (1) to cease and desist from interfering with, restraining or coercing bargaining unit employees (BUEs) in the exercise of the rights assured them by law; (2) ordered to bargain on request with the Union with respect to all BUEs adversely affected by the Accountability Act which became effective on June 23, 2017; (3) based on the retroactive bargaining order, make whole any employee, who in any agreement reached by the parties, is determined to have suffered a loss of pay, benefits, allowances or differentials because of the Agency's unlawful conduct; and (4) post electronic notice signed by the Secretary which includes the terms of this award.

You are eligible for relief, and must choose between the following:

1. **No Return to Duty.** I will not return to VA and opt to receive \$[insert 55% of gross monthly salary at time of removal X # months removed]. I agree not to apply to work at the VA for four (4) years; or

3. **OPT OUT.** I choose not to participate in this settlement agreement and understand that neither VA nor AFGE make any representations concerning my right to pursue other action as a viable alternative to relief under this settlement.

If you choose option 1, VA will purge/rescind, as appropriate, the adverse action from your electronic Official Personnel File and replace the adverse action with a resignation.

Also, you have been identified as an American Federation of Government Employees (AFGE) bargaining unit employee who received a conduct-based action under the authority of 38 U.S.C. § 714.

As a result of an arbitration award issued by Hyman Cohen on March 11, 2021, AFGE, Nat'l Veterans Affairs Council #53, and Dep't of Veterans Affairs, FMCS Case No. 17-0921-55048, VA was ordered to (1) to cease and desist from interfering with, restraining or coercing bargaining unit employees (BUEs) in the exercise of the rights assured them by law; (2) ordered to bargain on request with the Union with respect to all BUEs adversely affected by the Accountability Act which became effective on June 23, 2017; (3) based on the retroactive bargaining order, make whole any employee, who in any agreement reached by the parties, is determined to have suffered a loss of pay, benefits, allowances or differentials because of the Agency's unlawful conduct. And (4) post electronic notice signed by the Secretary which includes the terms of this award.

VA and AFGE have reached a settlement agreement resolving all matters associated with the above referenced award and as a result, VA conducted a review of all adverse actions. Upon review of your action, it was determined that you retired or resigned in lieu of effecting a removal decision from the position of [insert GS [occupational series]-[grade], [position title]] or you applied for and received a disability retirement thereafter. If you choose Option 1, you are eligible for a lump sum payment in the amount of \$10,000. Consistent with the settlement agreement, VA will delete the adverse action SF-50 and replace with a resignation SF-50. Or, if you choose Option 2, you may opt out and not receive the money under this settlement agreement.
