## Stop the VA Closures Petition

VA leadership in Washington D.C. claims it has no choice but to follow the MISSION Act. This legislation dictates that they must close dozens of VA medical centers, clinics, treatment centers and nursing homes and drastically cut outpatient & inpatient services at hundreds of additional locations. It's time for VA workers, veterans, and all Americans to demand that our local, state, and national leaders put a stop to this assault on veterans' care.

Scan the QR code below, sign AFGE's petition and tell lawmakers...

It's time to let the air out of the AIR Commission, halt the Senate confirmation of AIR commissioners, and repeal Title 2 of the MISSION Act. ***Closing VA facilities must be entirely off the table.*** Our promise to veterans will not be broken and this closure commission must be stopped.
