

I Serve Veterans

We're fighting back against the administration's attempts to dismantle our workplace rights, threaten VA health care, and privatize our jobs. Join us as we speak out against the anti-worker VA contract proposals. - The administration's plot to cripple the union contract between the VA and @AFGENational will make it harder for front-line workers to give veterans the care they deserve. **#SaveOurVA**
- Our veterans deserve high-quality care, and VA workers need a fair union contract to continue to provide that care. Period. **#SaveOurVA**
- 1/3 of VA workers are veterans. An attack on them is an attack on veterans. **#SaveOurVA**
- I'm a veteran who is now serving my fellow veterans as a VA worker. An attack on my job is an attack on me and veterans nationwide. **#IServeVeterans**
- Veterans and VA workers benefit from a strong union contract at the @DeptVetAffairs. **#SaveOurVA**
- A strong union contract for VA workers = a strong VA for veterans. **#SaveOurVA**
- The administration wants to strip away my workplace rights and pave the way for a scheme to outsource veterans' health care. **#IServeVeterans #SaveOurVA**
- The administration's attempts to strip VA workers of our union rights threatens quality care for veterans. **#IServeVeterans**
- My coworkers and I are proud to serve our nation's heroes. The administration's plan to cripple our workplace rights hinders our job and puts veteran care at risk. **#IServeVeterans**
